## ABOUT US

Sudiksha Exports is an India based company with our offices located in Tirunelveli Tamilnadu. Our company is an international worldwide trading organization that specifically exports Fresh Green leaves and Fresh Vegetables as well as having access to other products from different markets

**OURS IS  
HYGIENIC  
PRODUCTS**

## FRESH GREEN LEAVES

We Export Green leaves products like, Half spinach, Green Ponnankanni Spinach, Red Ponnankanni Spinach, Ooty Ponnankanni Spinach, Palak Keerai, Stem spinach, Agathikeera, Fenugreek spinach, Drumstick leaves, Manathakali spinach, Karisalanganni Spinach, Curry leaves, Coriander, small lettuce and so on.

## FRESH VEGETABLES

We Export Vegetables like Fresh Brinjal, Fresh Potato, Fresh Chili, Fresh Banana, Fresh Bottle Gourd, Fresh Lemon, Fresh Tomato, Fresh Pumpkin, Fresh Red Onion, Fresh Ash Gourd, Fresh Bitter Gourd, Fresh Sambar Cucumber, Fresh Ladies Finger, Fresh snake Gourd, Fresh Broad Beans, Fresh Drum stick and Elephant Yam/Suran so on.

All our fresh green leaves and fresh vegetables are manufactured in clean conditions. They are made naturally without the use of any harmful pesticides and synthetic compounds. These fresh green leaves and fresh vegetables are pressed into a quality package, so they stay crisp for longer. These fresh green leaves are accessible in customized packs and at moderate rates. Our fresh green leaves and fresh vegetables customers can benefit from the cost of market driving.

We partner with farmers to sell the highest quality products to our customers and achieve sustainability in long-term growth. To grow as a sustainable supplier of agricultural products and food. We are ensuring good agricultural practices, supply efficiency, quality production, efficient logistics, on-time delivery, eco-friendly product, and affordability.
